

# Volunteer Role Description

BAND HOSPITALITY - WORSHIP ARTS MINISTRY

## SUMMARY

Because of the size and complexity of our weekly Sunday gatherings there is a need for hospitality for the band and production crew each week. Our bands and some production volunteers spend most of the day at the church building, so in an effort to keep the volunteers well nourished and focused on the services, the band hospitality volunteers have the opportunity to serve by providing food for Sunday mornings.

## COMMITMENT

- Midweek shopping and cooking
- Sunday set up
- Once a month rotation (flexible)

## ESSENTIAL DUTIES AND RESPONSIBILITIES

- Arrive early and set up all band food for the day (by 8:45am).
- If desired, keep all receipts and submit specific expenses for reimbursement (up to \$25). Send to [money@downtowncornerstone.org](mailto:money@downtowncornerstone.org), please cc: Band Hospitality ML
